

Greystone Shiloh's Puppy Application

The following application form asks questions which will help you and Greystone Shiloh's select the right puppy for you and your family. We have been observing the puppy's behavior, personality and temperament. The information on this form helps us to get to know a little about you.

Shiloh Shepherds truly have a variety of personalities and we use an intense LER (Litter Evaluation Report) testing process to properly evaluate each puppy. This information is then used to match your family with the puppy best suited to you. For example, one puppy might be perfect in a busy household, while another may be better placed in a quiet home.

We encourage you to be very honest with us about yourself and your home life as these puppies rely on us to find suitable forever homes for them. Please provide as much information as possible, because the more details you provide, the better my ability will be to serve you.

If you would like to reserve a place on an upcoming litter, please visit our Prices and Reservation Policies for more information. In addition, we would appreciate it if you would include which litter you are reserving your place for. This may be done in the additional comments field at the bottom of the application.

At last, if you have any questions, please do not hesitate to contact me at GreystoneShilohs@gmail.com

Thank you!

GREYSTONE SHILOHS

If you would like to be added to our list for a puppy, or a specific upcoming litter, please enclose a \$500.00 deposit, along with this completed questionnaire to the address below. If you prefer, you may Zelle to my name and phone number via Bank of America.

At times, there may be unforeseen circumstances that could change the timing of when you will get your puppy. Examples may include: the female skipping a heat cycle, the pregnancy not taking or being carried to full term. As a result, we ask for a minimum of one year to find a suitable puppy for your family. After one year, you are given the option to wait for the next available litter or your deposit can be transferred to another ISSR breeder.

Deposits or prepayments are non-refundable but can be applied for up to two years towards the purchase of a Greystone Shiloh puppy (or adult). I will do my best to get you a puppy from my kennel or another ISSR breeder in a timely manner.
